Quote Sheet

"I heard your tune from CD. NICE ! Let me know when ya got one for sale. Take care.."Jerry

"Mr. Smith, may I say that your new CD "HOODOO MAN" is a wonderful piece of work. Most excellent!!!!!! You have writing abilities that would make Bob Dylan jealous. I especially liked the "Love Sandwich" tune and the "A Small price to pay for the blues" almost made me cry. Your keyboard work is exceptional. (Especially the organ)."
